

Allegheny County provided funds, distributed by the Network, that targeted small businesses impacted by the public health crisis — helping these businesses get the relief they desperately needed.

1,199
Total Businesses Supported

\$9,549,801
Historically Disadvantaged Business Grants

\$9,450,199
Main Street Business Grants

4,531
Jobs Retained

“I’m so grateful for this grant. It kept my business alive. During the early weeks of the pandemic, there was no traffic to control, because everyone was staying at home. CDFI funding helped me make payroll—I’m super thankful and extremely blessed to be a grant recipient.”
