PROGRAM IMPACT

"Solving the region's most pressing issues to support black and brown businesses"

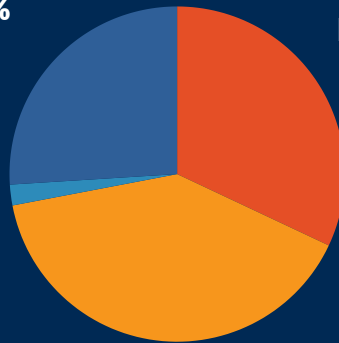

The GPFSLC's main goal is to influence organizations working to enhance black and brown business growth including government, not for profits and for-profit corporations.

In 2021, the GPFSLC committed to the following principles:

- Leverage, support, and scale existing successful efforts
- Help seed new initiatives and opportunities to solve pressing issues
- Increase resources from the financial sector that are invested to support Black and Brown businesses and the organizations that invest in them
